

Bridges Out of Poverty

Workshop presented by
Terie Dreussi-Smith

This workshop is a comprehensive approach to understanding poverty. Bridges out of Poverty uses the lens of economic class and provides concrete tools and strategies for a community to alleviate poverty.

Participants will review poverty research, examine a theory of change, and analyze poverty through the prism of the hidden rules of class, resources, family structure, and language.

Date: Tuesday, July 16, 2019
